

## **KIDS PROGRAMS - SCHEDULE CHANGE**

**On Tuesday, August 31** - DRAGON TALES, airing at 11:00 am, comes to an end.

**Wednesday, Sept. 1 – Friday Sept. 3** – DRAGON TALES' spot will be taken by an encore of SID THE SCIENCE KID, in its new timeslot of 11:00 a.m. (SID will air in both timeslots 8:30 am and 11:00 am thru Friday, Sept. 3.)

**On Labor Day, Monday, September 6 at 8:30 am**, PBS KIDS and Random House join to support science learning for preschoolers nationwide, with the premiere of **THE CAT IN THE HAT KNOWS A LOT ABOUT THAT!** Based on the acclaimed The Cat in the Hat's Learning Library book series, and voiced by award-winning actor Martin Short, this series is filled with both adventure and silliness, which will appeal to preschoolers' natural curiosity, and engage them in the process of scientific exploration and discovery.

The Cat in the Hat guides friends Sally and Nick – with a little help from the Fish, Thing 1 and Thing 2, on fun-filled adventures where they make natural-science discoveries, from how bees make honey to why owls sleep during the day.

**THE CAT IN THE HAT KNOWS A LOT ABOUT THAT!** airs **Monday – Friday at 8:30 am.**

**SID THE SCIENCE KIDS stays at 11:00 am. The rest of the schedule remains unchanged.**

**Labor Day Special: “No School Singalong Special!”** - Sid wonders what he could possibly do on his day off from school. But when all his friends come over for a play date, they quickly put their science minds together and decide to put on a show in the backyard! They each take turns rocking out as they sing their favorite science songs for a very appreciative audience of Mom, Dad, and Zeke!
